*Dear Gary,*

*How do we as a Brigade say "Thank you" to you and your company for the exceeding generosity of "Happy Feet" to all our members.*

*The boys and girl are grinning from ear to ear and the conversation is :-*

*" boy the ankle support is great"*

*"wow ! they're easy to wear and not hard to put on"*

*"grouse not heavy, hope Laurie got a pair"*

*We have listened and laughed at the "kids" as they compared their reactions to the boots.*

*How wonderful that they got such a thrill from them.*

*Five of our crew returned from the fire scene with only what they wore and to see their faces when they got their very own boots was a joy to see.*

*I would like to say a very sincere thank you and I know "our Firies" do also.*

*Enclosed is a photo of some our crew.*

*With thanks,*

*Yours Sincerely,*

*Trudie Goudge.  
Sec/Treas.*
